

AMBASSADOR PROGRAM

BECOME A MASTER CREATOR ACCESSING THE
EGYPTIAN 6 ELEMENTS & HELP HOLD THE NEW
EARTH GRID

Join a community of like-minded energy beings
facilitating the personal and global transformation of
the planet.

MISSION AND VISION

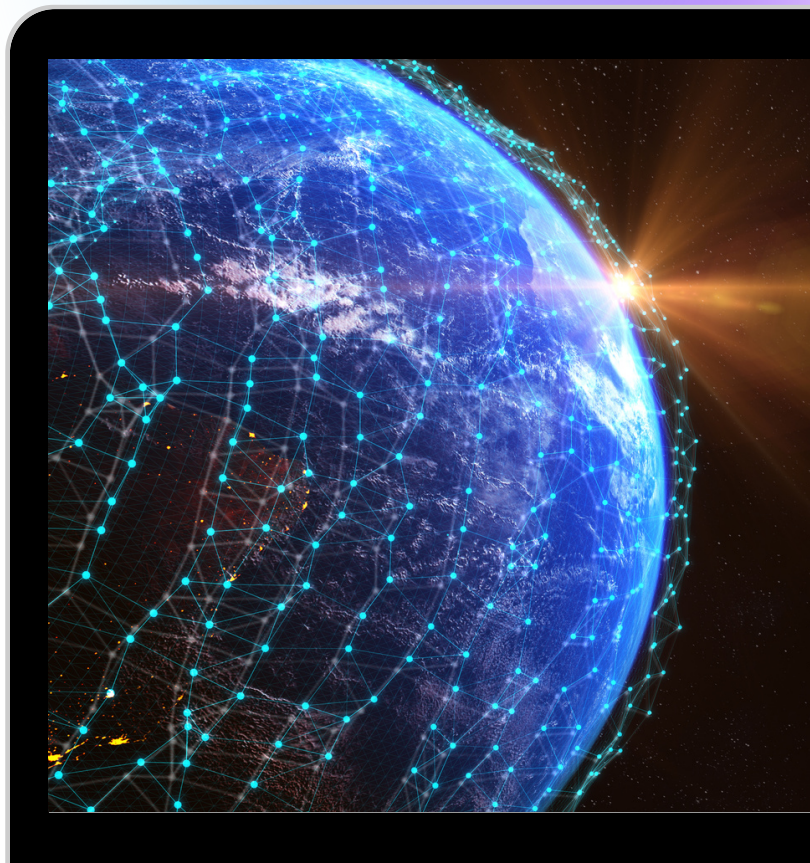

To assist you to manifest a life you dream of through the Egyptian 6 Element system, in a community of Ambassadors, all focused on helping you step powerfully into your potential and shining more of your light.

Mission

If you are called to this work, the MISSION is to establish the new earth grid and assist in the returning of our Galactic Friends to support us as they did in Egyptian times.

Vision

To activate the universal creation cycle through the Egyptian 6 Elements and connect with your pillar of light. To then hold this light and shine it onto the planet. This pillar of light, your element, is designed to support the new earth grid and stabilise its formation and materialisation.

HOW IT WORKS

The Ambassador Program may be considered an 'Elemental Mastermind', and includes education and training to help you fully understand and embrace the six elements and the universal creation process. It will empower you to step powerfully into you as the Master Creator.

You will spend time with each of the elements and learn how to embrace and use them to clear and stabilise your life. You will learn how to use the creation cycle, through the elements, to amplify your light, activate your pillar of light on the planet and manifest a life you dream of.

As you move through each of the elements, you will feel into which element resonates with the truth of who you are and what you have come here to do.

Then begins a process of initiation into that pillar, to activate your light and join others in holding the new earth grid. Once initiated, you will become a custodian and wisdom-keeper of the element and be able to teach and share the pillar element energy with others.

As a custodian of your element you are able to take your place in the inner circle of light beings and receive the universal one gift.

When there are 12 inner ambassadors, the group has the opportunity to divide and establish a new ambassador circle.

The primary intention of the new ambassador circle is to build a new citidel of light and continue to stabilise the earth grid.

The Three Pathways to Galactic Warrior

THE LATTICE NETWORK

When you join the Ambassador Program you will begin your journey into the universal creation cycle and step through the Six Egyptian Elements. Here you will learn how to harness the energy of the elements and become a Master Manifestor.

As an SEEKER you will receive the gifts of the elements from each of the AMBASSADORS holding the pillars in this Lattice Network.

After receiving these gifts, you will then move into the second circle as a STEWARD. Here you will support the AMBASSADOR, who holds the pillar energy you resonate with in this group and learn how to share your pillar energy with the world.

The cost of participating in the Ambassador Program is \$1,300AUD.

This payment is gifted into the group and when you reach the level of AMBASSADOR, you become the recipient of the gift, together with each of the AMBASSADORS, sharing in the gift provided by those who join the program.

This is a self-funding initiative that supports those willing to share their light, hold the new earth grid and become channels of messages received directly from the Interdimensional Council.
